

The Alzheimer's Association Club meetings are held the second Friday of each month from 10 a.m. - 12 noon in Club House #3 - Dining Room #2. The meetings are free. Everyone is welcome to come and enjoy coffee, music, treats, discussion with other attendees, and sharing of information. Each month distinguished speakers make presentations discussing key issues regarding dementia, focusing on harmonious relations, brain health, ideas for coping and with status on current research.

January 11, 2013

Speaker: Dr. Gus Alva, Medical Director and founder of ATP Clinical Research

Website: TheATPGroup.net

ATP Mission Statement: Our mission is to provide patients with the latest in drug developments and trial sponsors with quality data delivered with integrity. We seek to truly be in a category-of-one in regards to our combination of professional expertise, compassion, reliability and veracity. Our staff works diligently to have patient and sponsor satisfaction. Our vision is a world with effective and structured treatment options for neuropsychiatric disorders.
