

Getting To Know You

Getting to know you getting to know all about you

Getting to like you getting to hope you like me

Getting to know you, putting it my way but nicely

You are precisely, my cup of tea.

Getting to know you, getting to feel free and easy

When I am with you, getting to know what to say

Haven't you noticed, suddenly I'm bright and breezy

Because of all the beautiful and new

Things I'm learning about you

Day by Day.

Back to top and sing as often as necessary until on stage then end with final line

“Day By Day”
