

## **I Have Dreamed**

**Alone and awake I've looked at the stars  
The same that smile on you  
And time and again  
I've thought all the things  
That you were thinking too**

**I have dreamed that your arms are lovely  
I have dreamed what a joy you'll be  
I have dreamed every word you whisper  
When you're close  
Close to me**

**How you look in the glow of evening  
I have dreamed and enjoyed the view  
In the dreams I've loved you so  
That by now I think I know  
What it's like to be loved by you  
I will love being loved by you**
