

News Release: Alzheimer's Orange County Club Special Event

Please remind the community of this event. The flyer is attached.

The Alzheimer's OC Club is offering a free Special Event at 10 am on Friday, December 15 in Clubhouse 5 auditorium. Dr Dung Trinh, an internal medicine physician and dedicated researcher, will share the latest available information gleaned from the 10th Clinical Trials on Alzheimer's Disease Conference in Boston, Massachusetts which was held from November 1-4, 2017. Light refreshments will be offered. RSVP Require: call [949-304-8172](tel:949-304-8172) or email info@healthybrainclub.com and provide name, phone number and number of people attending. Sponsors who will have the opportunity to have a table in the back of the auditorium, share literature and make a one-minute overview of their organization are invited to participate with donations directly to Alzheimer's Orange County. For additional information contact SunshineLutey@gmail.com or call [949.278.6454](tel:949.278.6454).

Parexel is a sponsor:

More Information about this event is available at the club's website, AlzheimersOCClub.com.

Special Notes:

- Stephanie please share with Today
- Heather please post to Club News and include the December 15 event in e-blasts
- Jennifer: Please include the December 15 story in the next edition, if possible
- Michelle: I believe this event is already on the message board

Sincerely,
Sunshine
