

## Some Enchanted Evening

**G (starts on D) D7**  
Some enchanted evening, you may see a stranger  
**G G+ C Am**  
You may see a stranger, across a crowded room.  
**C Am B7 Em A7-9**  
And somehow you know, you know even then  
**Am D7 G (G#) Am D7**  
That somehow you'll see her again and again.  
**G D7**  
Some enchanted evening, someone may be laughing  
**C C+ C Am**  
You may hear her laughing, across a crowded room.  
**C Am B7 Em A7-9**  
And night after night, as strange as it seems,  
**Am D7 G**  
The sound of her laughter will sing in your dreams.  
**D7 G D7 G**  
Who can explain it, Who can tell you why  
**Am7 G A7 Am D7**  
Fools give a reason, wise men never try.  
**G Am D7**  
Some enchanted evening, when you find your true love  
**G G+ C Am**  
When you feel her call you, across a crowded room.  
**C Am B7 Em A7**  
Then fly to her side and make her your own  
**Am D7 G**  
Or all through you life you may dream all alone  
**D7 G D7 G**  
Once you have found her never let her go  
**Am (low C) G Am G**  
Once you have found her, never let her go.
