

Some Enchanted Evening

Some enchanted evening, you may see a stranger
You may see a stranger, across a crowded room.
And somehow you know, you know even then
That somehow you'll see her again and again.

Some enchanted evening, someone may be laughing
You may hear her laughing, across a crowded room.
And night after night, as strange as it seems,
The sound of her laughter will sing in your dreams.

Who can explain it, Who can tell you why
Fools give a reason, wise men never try.

Some enchanted evening, when you find your true love
When you feel her call you, across a crowded room.
Then fly to her side and make her your own
Or all through you life you may dream all alone

Once you have found her never let her go
Once you have found her, never let her go.
