

Something Good

Rodgers & Hammerstein

Sunshine	Perhaps I had a wicked childhood Perhaps I had a miserable youth
Denise	But somewhere in my wicked, miserable past There must have been a moment of truth
Together	For here he is, standing there, loving me Whether or not he should
Sunshine Denise Sunshine	So somewhere in my youth or childhood I must have done something good
Denise	Nothing comes from nothing Nothing ever could
Sunshine	So somewhere in my youth or childhood I must have done something good
	Musical Interlude
Together For all the rest	For here he is, standing there, loving me Whether or not he should So somewhere in my youth or childhood I must have done something good
	Nothing comes from nothing Nothing ever could So somewhere in my youth --- Or childhood I must have done something . . . Some – thing--- good
