

Ten Minutes Ago

Ten minutes ago, I saw you
I looked up when you came through the door
My head started reeling You gave me the feeling
The room had no ceiling or floor

Ten minutes ago, I met you
And we murmured our "How do you do's?"
I wanted to ring out the bells And fling out my arms
And to sing out the news
"I have found him, he's an angel
With the dust of the stars in his eyes
We are dancing, we are flying
And he's taking me back to the skies"

In the arms of my love, I'm flying
Over mountain and meadow and glen
And I like it so well That for all I can tell
I may never come down again
I may never come down to earth again

Ten minutes ago, I met you
And we murmured our "How do you do's?"
I wanted to ring out the bells And fling out my arms
And to sing out the news

I have found him, I have found him

Interlude for rest of the verse

In the arms of my love, I'm flying
Over mountain and meadow and glen
And I like it so well That for all I can tell
I may never come down again
I may never come down to earth again
